Dear _____ MP

I have added my support to the Breastfeeding Manifesto because I believe it is vital that the UK Government implements the seven objectives it outlines.

I am writing to ask if you will add your support to the Breastfeeding Manifesto. I would be grateful if you could write back to me in the next three weeks to let me know if you have done so or if you intend to do so.

You can sign up by emailing Alison Baum at alison@breastfeedingmanifesto.org.uk
